ORGANIC MONASTRELL BIB

TASTING NOTES

Dark cherry in color. A dry red wine with blackberry and blueberry notes, richness, structure, and balance.

VINEYARDS

The grapes used for this wine come from our organic Monastrell vineyards planted on rocky, limestone soils approximately 2,400 feet above sea level. We use no herbicides or pesticides in our old vine vineyards. The grapes are hand harvested and fermented at our off the grid winery.

Always farmed organically.
Now certified!
