### VARIETAL

100%  
Dealcoholized  
Verdejo

### ALCOHOL

0.0%

### UPC

811449030684

### TASTING NOTES

Shows citrus aromas with hints of lime and white flowers on the nose. The palate offers lively and refreshing Verdejo characters, with notes of jasmine, stone fruits and delicious sweetness, all balanced by a refreshing crisp finish.

### CRAFT

A very thorough dealcoholization process at a new facility specifically designed for this within our own winery.

Crafted with the goal of making a quality white wine that retains its original character.

The original wine was not exposed to a very high temperatures which could damage the quality of the final product.

A wonderful pairing with seafood, pasta, salads and rice dishes.
